This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statements are free of material misstatements.

4. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
5. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the generally accepted accounting principles in India ("GAAP") and in compliance with the applicable Accounting Standard as specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of the Regulation, read with Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement
